RWE Supply & Trading (Essen, Germany), is a leading European energy trading house for commodities in both their physical and derivative forms. As one of Europe's strongest competitors in the gas industry, we optimise RWE's entire non-regulated gas business. Our headquarters boast Europe's largest energy trading floor, complementing additional sites in Europe, the Middle East, Asia and the Americas.

To start in March or September 2014, we are looking for a

GRADUATE FOR THE RWE SUPPLY & TRADING GRADUATE PROGRAMME (M/F)

FOR RWE SUPPLY & TRADING GMBH, LOCATIONS ESSEN, SWINDON OR LONDON

Your tasks: Our 18-month graduate programme offers you deep insight into the energy trading business by rotating through various functions in six-month assignments. You'll be given the chance to seek out placements that play to your strengths and get a taste of international flair while working out of our main locations in Essen, Swindon or London.

By rotating through different departments you will have challenging tasks and get to know various parts of our value chain – including the proprietary trading of energy commodities (power, coal, gas, oil, carbon), commercial asset optimisation, sales & origination, analytical functions such as structuring & valuation or risk management and business support functions like back office or finance.

You want to be challenged, but also supported? Besides training on-the-job we will support your personal development with various soft skills and expert trainings as well as networking events. We will provide as much support as you need, but the speed and direction of your career is in your own hands.

Your profile: Do you have a Bachelor's or Master's degree, preferably in maths, physics, industrial engineering, economics or business administration? Can you demonstrate proficient IT skills and are you fluent in English? Then you could be the right candidate for our programme!

The recruitment process for the RWE Supply & Trading Graduate Programme will be supported by Brodtmann Consulting.

The application deadline is 16th October 2013.

RWE is an equal opportunity employer and welcomes applications from all sections of the community.
